One-Fifty-Seven

This year it was in Portland and last year it was in Spokane. In 2009 it will be held in Kent, Washington. They are about the only thing up here that rates being termed a horological event. This year the host chapter was Portland Chapter #31 and they really did a wonderful job. My hat is off to them. There was a very good turn out by my observation and for the first time the public was invited to attend on Saturday. I m told there was over a hundred who came then. The mart room was nearly full and there was some very nice stuff to buy. As usual the salmon lunch was excellent. The Monarch Hotel knows how to do salmon.

It isn t in me to brag but the star of the show was our chapter s display. Pat and Shirley Cavanaugh dusted off many of those mystery clocks of theirs and they comprised the display. I even saw one in the display case lent by Tom Seymour and another by Rubens Sigelmann. Dave Cast, Tom Seymour and Al Dowler helped get the display to Portland from Silverton on Thursday and Dave and Al were there on Sunday again to help Pat and Shirley move it back home.

Thank you Pat and Shirley and to those who helped you. The display was excellent

Meeting Location is 3020 Center St. NE. Take Exit 256. If coming south from Portland follow signs to City Center and merge onto Market St. NE. Turn left at Hawthorne Ave and right on Center Street. From Albany get off at Exit 256 and turn right on Lancaster Dr. Turn right at Center Street.
