**** Don't Miss Out on Voting in NAWCC Elections! ****
A Reminder to NAWCC Members

All NAWCC elections will be conducted online only, due to the high cost and very small number (under a dozen) of members who use paper ballots.

To vote for rule changes (planned for later this fall) or Board of Directors and Nominating & Elections Committee members (planned for early next year), we must have a valid email address in order to send you an electronic ballot. There will no longer be any paper ballots used in NAWCC elections.

If you receive email notices or announcements from NAWCC, there is nothing you need to do.

If you do not receive email notices or announcements from NAWCC, we may not have a valid email address for you in our membership database. Simply send us an email (which will automatically provide your email address) to rlau@nawcc.org and we will update the system. You must include your full name and membership number in the email.

The NAWCC appreciates your cooperation and recommends you respond right away, before August 1st, when election planning will begin.

Your personal information, including your email address, is used for NAWCC purposes only. We will not share, sell, or authorize any third party to use your personal information for commercial purposes without your permission. You can read our complete Digital Privacy Statement on our website, NAWCC.ORG. A link to it is located in the footer at the bottom of the home page.
