

National Association of  
**WATCH & CLOCK**  
Collectors, Inc.

## A Message from the National Convention Committee

**The NAWCC is following the State Closure requested by Governor Tom Wolf. There are staff working remotely to check and respond to member phone messages and emails. Please be patient during this time. There may be some delay in responses, but someone will reach out to you. Thank you for understanding and working with us.  
Stay safe!**
