8/16/2021

Postponement of NAWCC Arizona Sunshine Regional Fountain Hills AZ — Chapters 112 & 46

We will reschedule the regional for March 11th & 12th, 2022

Here is what happened:

We lost our venue and other complications. The Fountain Hills Recreation Center announced that they will be extending the closure of their facility due to a problem with flooring for the center. The center had been due to reopen in September.

We were facing an uphill battle with COVID-19 along with maximum capacity restrictions, and then we received the following from FHCC: “We received the incorrect flooring (carpet) and it needs to be reordered. At our construction meeting this morning the flooring company informed us that it would take in the best case 7-8 weeks to manufacture, a week for shipping and another week for installation which puts us at the end of October. “

What will happen with current registrations?

Registration monies are available for refund by request. Registrations that are not refunded will be applied to the March 2022 event. Donations are also accepted towards the Arizona Sunshine Regional. As Chapter 112 is a 501c3 entity they can be tax deductible as well.

More information will be forthcoming.....
